Notice of Intent to Award

The City shall notify all bidders of its intent to award. A contract to award will be confirmed at a city council meeting following the bid deadline

Scope of Work

Contract will be awarded to the Contractor with the lowest fuel price for either diesel or gasoline. The contract can be written for all the City’s fuel needs or a portion of the proposal.

1. Contractor agrees to deliver all the City’s fuel:

<u>Description</u>	<u>Estimated Gallons</u>
No. 1 Heating/Diesel	75,000
No. 2 Heating/Diesel	30,000
Unleaded Gasoline	20,000
Propane Delivered	375
Propane at Pump	150

Refer to Attachment C for the list of facilities receiving petroleum fuels.

2. Petroleum and propane fuel will be delivered to the list of City of Dillingham facilities under one of the following two conditions:

- “Keep Full” – the contractor shall be responsible for monitoring, at least every two weeks (unless otherwise noted), the fuel levels in the storage tank to ensure a constant supply.
- Upon an oral or written request from approved City personnel, the petroleum contractor shall furnish and deliver the requested fuel within four hours (4) of said request.

3. Bids may be provided for either No.1 & 2 Heating/Diesel and/or Unleaded Gasoline and/or propane fuel types. Contract may be awarded to the lowest bid for diesel or gasoline.

4. All fuel tickets must be signed by City Personnel.

Conditions of Offering and Acceptance

This is a Request for Proposal/Bid only and is not a guarantee the City of Dillingham will purchase any or all of the products or services indicated in this invitation.

The City of Dillingham reserves the right to reject or accept any and all bids, to waive irregularities or informalities in the procurement process, and to give particular attention to the qualifications of the proposer.

The City reserves the right to revise or clarify the Request for Proposal/Bid, respond to questions, and/or extend or shorten the due date of proposals.

The City retains the right to cancel the Request for Proposal/Bid if the City determines it is in their best interest. Any cost incurred by proposers for the preparation and submittal of the bid is the sole responsibility of the bidder.

A bid may be corrected or withdrawn by a written request received prior to the deadline for receipt of bid proposals.

All bid proposals and other material submitted become City property and may be returned only at their option.

The City assumes no responsibility or liability for the transmission, delay, or delivery of bid proposals by either public or private carriers.

Any and all media announcements pertaining to this RFP/ITB require the City's prior written approval.

The bidder agrees to allow the City at least 30 days from the bid date to enter into a contract with the selected bidder for the price offered by the bidder.

The City intends to award a contract, subject to negotiation of a satisfactory agreement based upon the City's standard professional services contract form.

The City may, at its sole discretion, exercise the option to extend the contract for a one-year period for the next consecutive fiscal year; July 1 – June 30, at the existing bid rates. Written notice shall be provided, at least 30 days prior to expiration, if the option to extend the contract is not exercised.

Gasoline will be dispensed from the bidder's pump. Authorized City personnel will "self-serve" into City vehicles and equipment requiring gasoline.

Contractor shall in performance of a contract, comply with all applicable federal, state and local laws, ordinance, orders, rules and regulations applicable to its performance.

Contractor must be in compliance with Dillingham Municipal Code (DMC) 4.16 Business License and DMC 4.20 Sales Tax as well as state and federal licensing.

All products will be sold with the lowest applicable federal, state, and local taxes. i.e. heating, power generation and equipment use fuel will not be billed with "road" tax applied.

Volumes provided are estimates and may vary by 20%. Locations may vary from time to time. The City shall provide notice to the contractor of location changes as they occur.
